

2025 Rhythm in Pink Showcase

*Move Over
Breast Cancer*

Sunday, May 3, 2026

**JOIN US AND SUPPORT THOSE IN THE
COMMUNITY AFFECTED BY CANCER**

Rhythm in Pink is a heartfelt program designed for women who have faced the traumatic physical, mental, emotional, and psychological challenges of breast cancer.

This unique initiative pairs participants with professional male ballroom dancers, creating a warm and welcoming environment where women can rediscover their confidence and joy.

Over ten transformative weeks, participants embark on a journey to learn a choreographed routine, culminating in a showcase that celebrates their strength and resilience.
